## **A Successful Career Transition**

Sister Crystal Yuan is currently the Vice President of Human Resources and Administration at ASI CORP., **the Largest Woman Own Business in the Bay Area** and also one of the largest PC distributors in Northern America. Sister Yuan manages and directs all aspects of the organization's HR and Administration policies, objectives, and initiatives for 24 international offices in the U.S, Canada, Mexico, China and Taiwan.

Prior to her current position, Sister Yuan was the Marketing/Personnel Manager for ASI CORP. from 1989 to 1994. During that period, ASI was promoted to a national campaign and won its first of many awards as The Top 500 Fastest Growing Company in the U.S. After receiving her Master Degree of Computer Science (Engineering) from San Jose State University, Sister Yuan worked for some local high-tech companies as Programmer and System/Sales Engineer providing technical and sales services. Sister Yuan has 20 years of Human Resources experience. She is an active member of Society for Human Resource Management.

Below is the agenda for her sharing:

- Job Search Tips in Recession
- Tips in Writing Resume & Cover Letter
- Things You Need to Know Before Accepting a New Job
- Things You Need to Know When Separating with Your Employer
- The Emotional Side of Career Transition
- Open Discussions
